BABYWEARING INSERT

Attach the insert to the front or back zipper of the coat. Adjust the size with the three cords. You can also adjust the opening of the back panel with the snaps. Use the underarm zippers to move easier when putting on or taking off the coat.

Please note, that you will need a babycarrier for using the Liliputi Mama Coat for babywearing.

MATERNITY INSERT

Zip the maternity insert to the coat with the narrow side up. Use the two cords to adjust the coat to the shape of your belly to keep you and your baby warm.
